

*Northland is Growing & Glowing!!! 17.06.2014*

Northland Shopping centre is looking it's finest with all the different features coming together as one. This face lift has been long overdue, Stones of Arabia and Akkari Tiling team helped bring it to perfection.

Show casing our new porcelain Etic range and the timeless natural Blue stone which has worked well with the new led light display complimenting the quality of the tile and work thats gone into it. So whatever look or concept your after Stones of Arabia can help bring it to life.
